You don't need any special software installed to be able to download your files. Unfortunately, we can't make that part free. File is free to use with no gotchas and no hidden fees. You decide who you want to share your files with. There are no restrictions on the number of times a file can be downloaded. Any file in any format can be uploaded and downloaded for free. No account or credit card is required to get started. Just upload the file you want to share with yourfriends and we send you a download link to your file. You can upload any type of file (movies, music, documents, images, zip files and more). We have no filesize limit. Alternatively you can choose to share your download links on blogs, forums and social networking sites. Our service is completely free for everyone. You can give this download link to your friends by mail or instant messenger. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. The cost of that data transfer is covered by your internet service or the data plan on your phone. Simply upload your file and share the link. Files can be downloaded from any computer from our high speed servers. So try our free and simple filehosting service now. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. filehosting provides an easy possibility foryou to send large files to your friends. It is also allowed to link to the download page from websites and communities. Keep your files private, or send your download links only to friends or family. Using file, you can circumvent those limits without paying to upgrade your team chat service. If only we could, we surely would! On the other hand, using file can actually save you money. Your wallet will be none-the-lighter! Just so we're all 100% clear he
